-

Welcome to Kenton Clinic

At Kenton Clinic, we understand that healthcare can sometimes be overwhelming. That is why we have created this guide to help you navigate our services with ease. Our goal is to combine traditional care with modern digital solutions, making healthcare more efficient and accessible for everyone.

Welcome to Our New Staff

- **Mrs Sheetal Bhudia** – Healthcare Assistant
 - **Ms Amrita Kaur** – Receptionist
 - **Mrs Brenda Dunleavy** – Receptionist
-

Missed Your HPV Vaccine?

If you are aged **16–25** and missed your HPV vaccine at school, you can still receive it.

- Offered to boys and girls in **Year 8**
- Available until your **25th birthday**
- Protects against HPV, which can lead to cancers (including cervical and head & neck)

 Contact the surgery to check your status and book an appointment.

Digital Access to Healthcare

Use our online services for quick and easy access:

- Order repeat prescriptions
- Book appointments
- View test results
- Access medical records
- Track prescriptions

Get started: Visit reception with photo ID.

NHS App

Manage your health anytime, anywhere:

- Order prescriptions
- View GP records
- Find NHS services
- Receive messages and reminders

 Available 24/7 | Free to use

 www.nhs.uk/nhs-app/

Stay safe. Stay healthy. We're here for you.

PRINT TIP:

For a tri-fold leaflet, print double-sided and set columns to 3 instead of 2. Arrange sections so the front cover appears on the right panel of page 1.
